Personal Statement

I am a committed and motivated IT enthusiast with foundational Cisco networking certifications and a strong willingness to learn on the job. I bring dependable work ethics, problem-solving focus, and the ability to remain calm under pressure. I am seeking an entry-level IT or network support role where I can apply my certifications and grow technical skills while contributing to a team.

Core Competencies

- **Technical:** Basic networking concepts; network security fundamentals; troubleshooting hardware and connectivity issues.
- **Professional:** Leadership and organizational skills; responsible and helpful team player; stress tolerance.
- **Soft Skills:** Clear communications; quick learner; adaptable and willing to relocate.

Technical Skills and Certifications

- **Cisco Certified Entry Networking Technician (CCENT)**
- **Cisco Certified Network Associate Security (CCNA Security)**
- **Operating Systems:** Windows (user level)
- **Networking:** TCP/IP basics; LAN/WAN fundamentals; basic router and switch configuration concepts
- **Tools:** Familiarity with network diagnostic tools and command line basics

Education

Musi Comprehensive School — Matric

Subjects Passed: English First Additional Language; Mathematics; Life Orientation; Physical Science; Life Sciences; Geography; IsiZulu Home Language

Short Course Institution: The Gisa

Qualification: Cisco international certifications (CCENT; CCNA Security)

Practical Experience and Projects

- **Network Fundamentals Practice** — Self-directed lab work using simulation tools to practice basic router/switch configuration and troubleshooting.
- **Team Leadership at School Projects** — Led group assignments, coordinated tasks, and ensured timely delivery.

Additional Information

- **Age:** 26
- **Gender:** Male
- **Criminal Record:** None
- **Driver's License:** None
- **Willingness to Relocate:** Yes
