## SA Youth's Assessments and Screeners

### Problem-solving capability

Completed Mar 2026

About

Measures fluid intelligence, the ability to reason, adapt, and solve new problems independently of verbal skills, without relying on prior knowledge. Developed with a clinical psychologist, benchmarked against industry standards, and linked to real-world success.

Result

Solves practical problems using clear rules, tried methods, trial and error, and past knowledge, learning from mistakes to improve solutions.

### Behavioural profile

Completed Mar 2026

About

Measures essential soft skills including grit, motivation, and a growth mindset. Developed with [Oxford University](#) and [J-PAL](#). Results are validated against real hiring decisions, and indicate potential success in various roles.

Result

Scored highest on behavioural activation. People with behavioural activation are able to activate a positive mindset which keeps them committed to the work they are doing.
